IMMUNIZATION HISTORY

Name_______________________________________ **Date of Birth**_______________________________________

PLEASE READ CAREFULLY: Illinois law requires incoming students born on or after January 1, 1957 to document proof of immunity to measles, rubella, mumps and tetanus/diphtheria. This may be done by one of the following methods:

1) Attach a copy of the student's Certificate of Child Health Examination (obtain from high school health records).
2) Provide comparable documentation from prior college or university.
3) Provide verification of immunizations taken from the doctor's (MD or DO) records or other health care provider.

IMMUNIZATION: Please provide the month, day, and year for dose administered. The day and month is required if you cannot determine if the vaccine was given prior to the minimum interval or age.
